Mornington Auxiliary

Proudly Supporting Peninsula Home Hospice

We need your help

To Support Those in Home-Based Palliative Care

Who are we?

The Mornington Auxiliary is a dedicated group of volunteers. We organise events to raise funds for Peninsula Home Hospice (PHH), which provides home-based palliative care to optimise quality of life and choice for people with a life-limiting illness, helping them to live and die well with dignity.

PHH supports the needs of clients living in the Mornington Peninsula and surrounding area, from Mordialloc Creek through to the City of Frankston, Hastings, and Portsea.

We raise funds through events such as golf days, fashion shows, and luncheons with guest speakers.

How you can support us to make a difference:

- Attend and promote our events
- Donate goods and services for our raffles
- Sponsor our events

100% of funds raised go directly to PHH
